# CAREERS IN MINING

WORKING WITH WIM RESOURCE

## Interested in a position at the proposed Avonbank Mine?

WIM is a privately owned Australian mineral sands resource development company. Our Avonbank Project, located just north of Horsham in Victoria, will provide a wide range of stable, long-term employment opportunities with more than 200 direct jobs during construction and 230 direct jobs during its 30-year operational life.

WIM is an equal opportunity employer and to be considered for a position you must be an Australian or New Zealand citizen, Australian permanent resident, or hold an eligible visa. To register your interest in future vacancies or business opportunities, email your area of interest and CV to [admin@wimresource.com.au](mailto:admin@wimresource.com.au).
